End User License Agreement - EULA (Versions 2.x and 3.x)

NOTE: Crawlability, Inc. is in no way affiliated with Internet Brands Inc., author of vBulletin™

Please read this entire license agreement fully before using vBSEO™. This End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and Crawlability, Inc., developers of vBSEO™. This agreement covers all current and future versions of vBSEO™. The current version as of September 10, 2010 is **vBSEO 3.5.2 Gold**.

By installing and/or using vBSEO you are agreeing to be bound by the terms of this agreement. If you do not agree to the terms of this EULA, you may not use vBSEO.

LICENSE

Subject to the provisions set forth in this agreement, Crawlability, Inc. (Crawlability) grants you a non-exclusive license to:

1. Use vBSEO on one installation of a licensed copy of vBulletin™, accessible by one web domain.
NOTE: vBulletin™ is web forums software and a registered trademark of vBulletin Solutions Inc..

TERM

- vBSEO is offered under an annual licensing basis, valid from the date of paid registration and expiring 365 days later. All upgrades provided by Crawlability during the period of registration are free. In the event that an annual license expires prior to renewal, the software will remain functional, but access to further upgrades will be disallowed. There is an additional fee for access to upgrades. Since access to upgrades expire only, the vBSEO license is referred to as a lifetime license.
- Technical support for vBSEO is provided via the vBSEO forums located at <http://www.vbseo.com> and via the support ticketing system at <http://www.vbseo.com/support/>. For expired vBSEO licenses, unofficial support will be provided via the vBSEO forums only. Access to the support ticketing system is provided for non-expired/upgraded licenses only. Crawlability reserves the right to deprecate older versions of vBSEO or other software, which may require a user to upgrade to the latest non-deprecated version in order to receive continued support.
- Your license can be managed from: <http://www.vbseo.com/downloads/>
